## LOCAL NEWS.

For this district local rains, southerly shifting to westerly winds, nearly stationary temperature.

**THE KNIGHTS OF LABOR AND THE STEAM-ER EXCELSIOR.**—Mr. Wimsatt and Ferry members of the executive Board of the knights of labor for the assemblies of the District of Columbia, left for Washington yesterday evening. In the morning they had an interview with Gen. Groner, the result of which could not be learned. Speaking on the subject of the boycott upon the Potomac Steamboat Company by the knights of labor, Gen. V. D. Groner said that the first advice he had of any such proceeding going into effect was what he saw in the *Virginia* yesterday morning. His own information led him to believe that all that sort of thing was in abeyance for the present. The Potomac Steamboat Company, said he, has good boats and runs an efficient line, with competent officers, and it would, no doubt, stand any fight that might be made against it. He believed that if any effort should be made to injure the property or interests of the company suits would be brought promptly to punish those so undertaking, and that attempt would result in more injury to the perpetrators than to the company. He understood that the company had legal advice in the premises, and is able to take care of itself. General Groner said he is not a member of the knights of labor, but he understood that the officers of the *Excelsior* are, and that the mate and engineers of the *Excelsior* are. The company tries to secure the best officers it can get, regardless of whether they belong to that organization or any other, as they select their employees with a view of protecting not only their own immediate interests, but the interest and lives of passengers. He supposed that the present employees will hold their positions, and he understands that they will, but if they do not desire to do so, no doubt other good men can be gotten. He thought the chief officers of the company are best qualified to select the men to command their boats, both in respect to the company's business and the public interest. If an issue should be made, General Groner said, he would be able to talk more freely, but at present he really knew nothing about the matter, and had nothing to say.—*Norfolk Virginian* of yesterday.

**COMPLIMENTARY.**—Col. L. W. Reid, of this city, who on Thursday last was appointed by the President assistant register of the Treasury, yesterday assumed the duties of his new office. In the morning when Col. Reid reached his office he found upon his desk a magnificent vase, filled with exquisite red and white roses, with a card attached bearing the following: "Presented by the Ladies and Gentlemen of the Note, Coupon and Currency Division," and also the following letter:

TREASURY DEPARTMENT,  
REGISTER'S OFFICE,  
June 1st, 1887.

Colonel Reid:

This floral tribute is but a feeble expression of the mingled sorrow and gladness of the ladies and gentlemen with whom you have been so recently and so closely connected in daily official contact. Sorrow on account of an occasion which severs your relations with them as an honored chief, and gladness on account of a recognition of worth and merit which calls you to a higher sphere of official duties.

Be assured, that the ladies and gentlemen of the Note, Coupon and Currency Division, while deeply feeling a loss which now seems almost irreparable, will ever remember the uniform kindness and consideration, which characterized your daily official intercourse with them, and cordially wish that the future may bring to you the greatest measure of success in your new position and the highest attainable happiness in every relation of life.

Colonel Reid was a chief in the Note, Coupon and Currency Division in the Register's office of the Treasury Department for the past year, and was universally respected and esteemed by those with whom he came in contact. His promotion, upon the recommendation of Register Rosecrans, for efficiency, was concurred in by Secretary Fairchild and Assistant Secretary Thompson.

**WEDDING.**—The wedding of Miss Eleanor Van Rensselaer, daughter of the late Wm. P. Van Rensselaer, of New York, and Hamilton R. Fairfax, son of Col. J. W. Fairfax, of Prince William county, Va., took place yesterday afternoon in the Presbyterian Church at Rye. The bride's dress was of rich white satin, with train of unusual length. The petticoat was draped with garlands of orange blossoms and lilies of the valley. The corsage was cut square in front and adorned with point lace, held in place by a large diamond sun and star. The demisleeves were finished with lace, and were met with long gloves. The veil was of point lace of unusual beauty, having been worn by brides in the Fairfax family for many generations. Holding it in place was a diamond crescent, the gift of the groom. She carried a bouquet of orange blossoms and lilies of the valley. The bridesmaids were Miss Olive Van Rensselaer, a niece; Miss Erving and Miss Cornelia Erving. They were dressed alike, in short dresses of point d'esprit over satin. Mr. John W. Fairfax, Jr., acted as best man. The ushers were Messrs. Lindsay Fairfax, cousin of the groom; Talmadge Van Rensselaer, cousin of the bride; Howard Townsend, and Langdon Erving. The Rev. Dr. E. D. G. Prime, pastor of the church, performed the ceremony. A reception followed at the country seat of the bride's mother, on Manassas Island, two miles distant. The bride and groom will sail for Europe on Saturday for the Armenians. They will return in the fall and reside in New York.

**POLICE REPORT.**—Last night was cloudy and mild with eight prisoners at the station house. The Mayor this morning disposed of the following cases:

A white and two colored youths, arrested by Lieut. Smith, for fighting on the street yesterday evening, were fined \$5 each.

Andrew Lomax, Napoleon Jasper and Wm. Hinton, all colored, arrested by officers Tiger, Henry and Simpson, for fighting near the corner of Prince and West streets last night, were fined \$3 each.

Elijah Moses, colored, arrested by officer Martin, for disorderly conduct, was fined \$5.

Kate Hughes, Laura Green and Louise Taylor, all colored, arrested by officers Grady and Franks, for fighting last night near the tunnel, had their case continued till tomorrow.

**BOATING NEWS.**—Mr. Fred Plaisted, who has been engaged as trainer for the Old Dominion Boat Club crew, which will enter the regatta to take place here on the 4th of July next, arrived here yesterday evening. He selected as the crew Messrs. Frank Lambell, Harry Burke, Jas. E. Blackwell and J. K. M. Norton and took them out for a row. Lieut. Plaisted will stay in Washington and come to this city every evening till the day of the regatta.

**PERSONAL.**—Rev. Angus Crawford has accepted the chair of Hebrew and Oriental Learning, at the Episcopal Theological Seminary, to which he was elected by the board of trustees at their last meeting.

Mrs. and Miss Mahone, wife and daughter of ex-Senator Mahone, returned to San Francisco last Wednesday after a visit to the Yosemite.

Mrs. Wm. Spiller, who has been visiting Mrs. Dr. French on Washington street, left yesterday for her home in Wytheville.

Mrs. J. W. Burke and daughter, Miss Ellen, have gone to Boston on a visit to relatives.

Rev. W. L. Hyland while conducting services at Christ church, Strattonville, Prince George's county, Md., on Sunday last, suffered a slight stroke of paralysis, but is now improving. He attended the Episcopal Council which met in this city recently.

Mr. John Burley, of Jacksonville, Fla., is on a visit to his old home and relatives in this city.

Mr. Thos. D. Dix, driver of the Hydraulion engine, and Miss Susie Edelin were married at the parsonage of the M. E. Church, last night, by Rev. R. F. Bishop.

**PRESBYTERY OF CHESAPEAKE.**—As stated in the GAZETTE, the annual meeting of the Presbytery of the Chesapeake was held yesterday at the Central Presbyterian church, Washington, Rev. Edward Ellis, of Culpeper, presided. Rev. J. C. Stewart was, at his own request, granted a letter of dismissal to the presbytery of East Hanover, in order to assume the pastorate of the Fourth Presbyterian Church, of Richmond. Rev. Dr. J. Shopoff, of Bulgaria, Europe, was appointed evangelist of the church and pastor of the Presbyterian churches at Grove and Hartwood, Va. Dr. Shopoff preaches in Russian, Turkish, Bulgarian, Servian, Bothnian, and English, and was considered unusually well qualified for the work to which the presbytery assigned him. Dr. Dinwiddie preached the sermon, his subject being the "Word of God." He spoke of how the Word of God gives life to the soul in sanctifying the believer and in being the power of God for the salvation of men. Rev. Dr. A. W. Pitzer delivered the charge to the evangelist, after which the meeting adjourned.

**BRIDGE DAMAGED.**—The temporary trestle work over Goose Creek on the W. O. & W. railroad was damaged last night by the rising of the water, caused by a heavy rain which fell in that neighborhood. The west bound passenger train crossed the bridge safely, but since the displacement passengers, the mails, &c., have been transferred at that point. A new iron bridge is in course of erection at this point and the trestle, which was damaged, was put up in place of the old wooden bridge which was partially carried away by a flood some time ago. This morning Col. Andrews and Messrs. Dabney and Cable left here to superintend the repairs to the trestle which, it is said, will be completed in a few days, as a force of men were at once put to work.

**THE MOUNT VERNON DEER PARK.**—The treasurer of the Ladies' Mount Vernon Association, Mr. Frank Riggs, is in receipt of \$3,000, at the request of the donors, is to be used for the restoration of the old deer park at Mount Vernon. The money was presented to the association by the sons of the late Mrs. Robert Campbell, of St. Louis, who was vice-regent from Mississippi.

**CONCERT.**—The Alexandria Musical Association will give a grand concert at the Opera House to-night for the benefit of the widow and orphans of the late Julian Arnold, the policeman who was recently killed. The object is a most worthy one, and the Association will give such a concert as will be well worth the price of admission.

**DEAD.**—Miss Emeline Machen, only daughter of the late Lewis H. Machen, of Fairfax county, died at the home of her brother, Arthur V. Machen, in Baltimore, on Monday. Miss Machen had been in bad health for some time, and her demise had been expected.

## MONETARY AND COMMERCIAL.

**NEW YORK, June 2.**—The stock market was irregular at the opening this morning, although the changes from last evening's final figures were for insignificant fractions except an advance of 1/2 in Richmond and West Point. The market was quiet in the early dealings and soon became dull. Prices were heavy to weak at the opening, and almost everything declined small fractions. By 10:30, however, a reaction set in, but later heaviness again appeared, accompanied by greater activity. At 11 o'clock the market was fairly active and heavy to weak. Money easy at 4 1/2.

## LOCAL BREVITIES.

The regular monthly meeting of the City School Board will be held to-night.

One of the large trees on the west side of Columbus street, near Prince, was blown down last night.

The Tontine was formally opened last night, when the proprietor, Mr. J. A. E. Moroney, entertained his guests at a lunch. The report in circulation to the streets to-day that Billy Williams, the supposed murderer of Officer Arnold, had been captured, was incorrect.

Messrs. Harlow & Caton have bought from Major J. W. Green a lot on the west side of Washington street, near Pendleton, 180 feet front and running back one half square. It is proposed to divide the ground into building lots.

Superintendent of Police Dobie and a force of men are engaged in laying a wooden sewer to drain the sunken lot on the southwest corner of Royal and Princess streets, under a resolution of the City Council passed last week.

The Baltimore and Potomac railroad, in Washington, yesterday, took out a permit to build a round house 200 feet in diameter on South Capitol street, between H and I streets, southeast, to cost \$10,000. The company will also build a storehouse on the same site.

The authorities of Washington are complaining bitterly of the illegal fishing in the Potomac within the limits of the District. The law making it illegal to fish in those limits for five years is being violated, and it is claimed that there are few fish in the lower Potomac, and they have come up to the headwaters to spawn, and the fishermen are taking advantage of this to reap a harvest.
